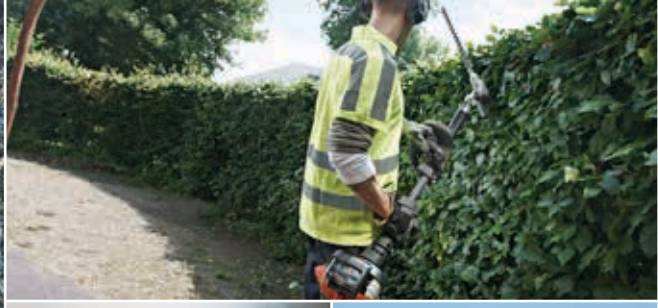
Our products were designed with the Landscapers, for the Landscapers.

Husqvarna®

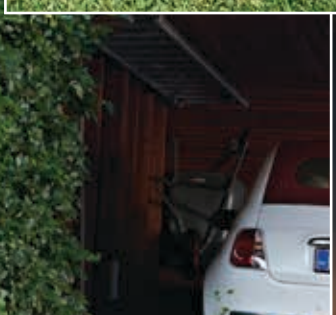
READY WHEN YOU ARE



QUALITY MATERIALS. SUPERIOR DESIGN.

For more than 325 years, Husqvarna has been a pillar in outdoor power products. From chainsaws and zero-turns to trimmers and blowers, our world-renowned product line offers both superior design, variety and innovation. We value you as a professional and see ourselves as partners in your business, investing in you and doing our part to help you grow.

Our products were designed with Landscapers, for Landscapers.



WHY HUSQVARNA?

Simply put, we make it easy on you. We pride ourselves in offering superior products, the most variety, and one of the best fleet programs around. Our dealer support is extensive, because our team needs the right tools to position you for success. We have an extensive sales and servicing dealer base that exceeds 5,000 locations nationally. All our Husqvarna Dealers are well trained and able to provide quick turn around service so your business does not have to stop.

ONE-STOP SHOPPING. From zero-turn mowers and blowers to trimmers and chainsaws, Husqvarna has you covered. And the more you buy, the more you get in return. Enjoy maximum benefits with one phone call—instead of minimum benefits with many different companies (and many, many phone calls). Because no other company comes close to the breadth of our offering.

YOU CAN COUNT ON US. Husqvarna is the world's largest OPE manufacturer, and our over 325-year history says we aren't going anywhere. This kind of stability means you can rely on us to be by your side for the long haul.

VARIETY. From premium professional equipment to affordable consumer options, Husqvarna offers an array of products—all built around the user, with superior design and unmatched performance.

DEALER SUPPORT. Our dealer support is extensive, because we believe it's our responsibility to position you for success. With access to product information, online training, market data, advertising tools and retail sales support, Husqvarna dealers are primed for growth. Because we support our dealers, you know you will have the support you need.

PARTS STOCKING. Husqvarna has over 1.74 million parts ready to support your every need.

WHAT OUR USERS SAY.

Professionals from coast to coast are partnering with Husqvarna and reaping the rewards. But don't take our word for it—take theirs.

Asplundh

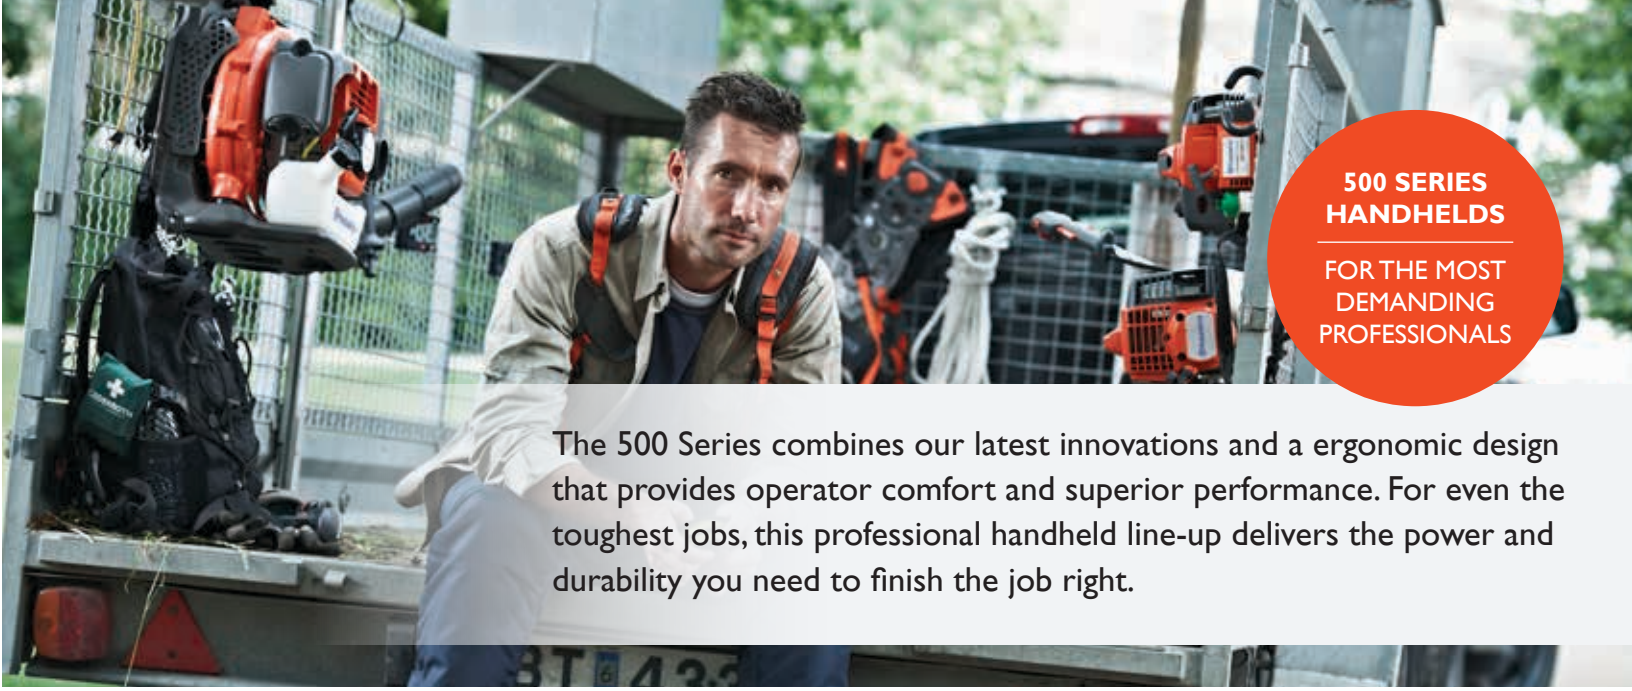
Ken Chan Chief Procurement Officer

"Husqvarna has been a long-time partner of Asplundh, and we are pleased to have their support as we provide safe, efficient and cost-effective services to our customers. We know Husqvarna will further our goals of providing our employees with tools that offer better safety, performance, reliability and a cleaner environment."

North American Lawn & Landscape

Jacob Stubbs Operation Manager

"We have partnered with Husqvarna due to superior product quality and durability at a great price point. More importantly Husqvarna cares as much about their customers as their products."



500 SERIES HANDHELDS

FOR THE MOST DEMANDING PROFESSIONALS

The 500 Series combines our latest innovations and a ergonomic design that provides operator comfort and superior performance. For even the toughest jobs, this professional handheld line-up delivers the power and durability you need to finish the job right.

- **Well balanced, ergonomic designs** for long demanding shifts
- **Heavy duty construction** provides long-lasting performance in the toughest environments
- **Powerful** X-Torq® engines reduce fuel consumption and emissions
- **Versatile attachments and accessories** expand the capability and comfort of 500 Series handhelds

QUIET OPERATION

REDUCED OPERATING COSTS

Test results in real world trimming and pruning applications showed two fully charged batteries were enough to complete a full day's work!

Now we've added another chapter to the Husqvarna history — battery-powered professional performance. The new Husqvarna Battery Series is a range of high-performance tools, featuring a highly efficient motor design and powerful 36V Li-ion battery pack. This gives you gasoline performance, quiet operation and no direct emissions.

FLEET PROGRAM.
BUILDING BUSINESS.

Husqvarna's Fleet Program is designed to provide commercial customers a volume discount on major purchases of new Husqvarna equipment. This program is only available to companies or agencies who are involved in the commercial landscaping or arborist business on a full time basis or use the equipment as a means of producing income.

LET'S GROW TOGETHER.

Your choices are nearly endless when it comes to outdoor tools and equipment, Husqvarna rises easily above the competition. Our quality materials offer unbeatable performance and design. Couple that with our great name, and you have a brand that customers already know and trust. Now add the benefits of an expansive dealer network and one-stop shopping. The decision is easy.

We value our professional relationships and work hard everyday not only to earn your business, but to keep it. We see these relationships as partnerships, or alliances.

WHO IS HUSQVARNA?

Husqvarna is a world leader in outdoor power products for forestry, lawn and garden care. In the 325 years we've been in business, we've built a brand that's respected by professionals and homeowners alike. Named for its Swedish hometown, Husqvarna began as a rifle factory in 1620 and has manufactured a broad list of innovative products over the years, including typewriters, sewing machines, motorcycles and household appliances like gas stoves and dishwashers. We found our sweet spot in 1918 with the introduction of our first lawnmower. And as they say, the rest is history. Today Husqvarna is a powerhouse in lawn and garden equipment, manufacturing other well known brands including Jonsered, RedMax and Gardena.
